

A DATE
for the DIARY

FIFTH WHEEL CO.

COME AND JOIN US FOR OUR...

ANNIVERSARY and EXPERIENCE WEEKEND

Our Experience weekend is the perfect opportunity for those interested in our products; to come and view the Fifth Wheel and Inos product range, meet our sales & design team, tour the factory as well as gaining some hands-on experience! As well as this sales-led event, we will also be celebrating our 15th year of manufacture over the weekend too, so make sure you don't miss out on helping us celebrate the occasion!

During the weekend you'll get the chance to:

Test Drive - This is your opportunity to tow one of our Fifth Wheels, with support from one of our team members.

Factory Tour - Get a more in depth look of how our Fifth Wheel's and Inos caravans are made.

Take the challenge - Show your skills and take on the Fifth Wheel reversing challenge!

Speak to customers - Speak to our existing customers to get their views & experiences of owning a Fifth Wheel.

Speak to the team - our sales and design team will be on hand, throughout the day, to answer your questions.

Create it your way - browse the endless possibilities of customisation and add your own personal touch.

R.S.V.P:

If you're interested in attending our event please **book your place*** using the details below:
